Solving Rational Equations Scavenger Hunt

ABOUT THE RESOURCE:

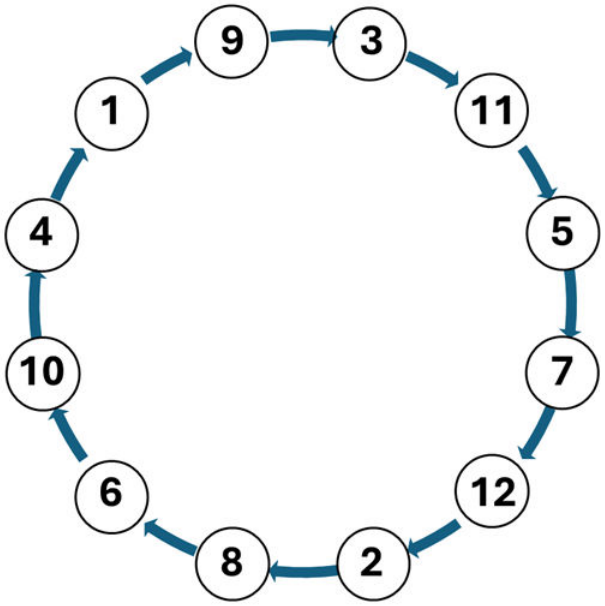

This is an activity with 12 task cards designed for **Rational Functions and Equations Unit** in **Algebra 2 Honors.** Each card requires an algebraic approach. This can be used after the lesson on solving rational equations is taught in the unit.

Teaching Suggestions:

- Use the **task cards** as a group activity.
- Use the cards as a quick review. There is a student recording sheet included.
- Have students check their results with their group.

PREPARATION:
Print the task cards on card stock and laminate for durability. Print the student recording sheet as a Two-sided document, flip on short-side.

Answer Key:

Please visit my store for more engaging task card activities.
